DIRECTORS' AND TRUSTEES' REPORT

FOR THE YEAR ENDED 31ST AUGUST 2014

Structure, Governance and Management

The Oxford Centre for Mission Studies (öOCMSö) is a charitable company limited by guarantee, incorporated on 23 July 1984, and registered as a charity number 290112. The charity was formed under a Memorandum of Association which established the objects and powers of the charitable company (summarised under öObjects and Aims of the Charityö below) and is governed under its Articles of Association. In the event of the charitable company being wound up, members are required to contribute an amount not exceeding £1.

Trustees are appointed by the Board following selection based on their professional skills and/or representational qualities. The majority of trustees have worked or studied in the two-thirds world that the charity seeks to serve, and their insights into the mission and theological needs of the church globally help form our strategy.

Trustees gain experience and induction into the work of OCMS through attending Board meetings prior to appointment. The charity is organised so that the trustees meet and converse regularly to review strategy and to oversee its affairs. The management of the charity is delegated to the Dr Wonsuk Ma - Executive Director; the Academic Dean ö Tom Harvey; and the Bursar ö Mrs Carole Glendinning. In addition, all the Faculty staff support the functional aims and objectives of the charity, and serve to provide a sound study environment for students.

The Board of trustees has elected an Executive Committee, to meet with the Executive Director between full trustee Board meetings, to extend its financial oversight of the charity and to support the Executive Director in the formulation of policy and initiatives for strategic consideration by the Board of trustees. The Executive Committee membership was as follows:

Mr D Cranston	(Chairman)
Revd Dr W Ma	(Executive Director)
Mr K R Malcouronne	(Treasurer)
Dr M Getu	
Rev S Cyuma	
Ms J C H Taylor	
Mrs A Cleverly	
Dr B C Farr	

The trustees have examined the major strategic, business and operational risks which the Charity faces or may face, and consider that systems are in place to enable regular reports to be produced, so that the necessary steps can be taken to lessen any such risks.

Objects and Aims of the Charity, including Public Benefit Statement

As set out in the Charity's Memorandum of Association, its objects are to advance education, training and research for the public benefit in Christian mission, theology and related areas.

The aims of the charity to further these objects are to:

- (a) provide the setting and resources for international scholars to engage in missiological study, by establishing and maintaining at Oxford, and elsewhere, a centre or centres for mission studies;
- (b) facilitate scholars to prepare for advanced degrees in missiology and related topics, and to found scholarships and exhibitions and to give prizes, certificates and diplomas to persons who are, or have been, students instructed or examined by, or by the direction of, the Charity;
- (c) contribute to the teaching, practice and communication of mission in the teaching of theology in the university and theological colleges at Oxford and elsewhere;
- (d) establish and maintain an appropriate resource centre for information with relevance to mission worldwide;
- (e) gather, publish and disseminate literature on mission and theological topics;
- (f) coordinate study and research amongst those engaged in mission at international, national and local levels;
- (g) federate and cooperate with other charitable groups and institutions engaged actively or academically in Christian mission;
- (h) establish and maintain halls of residence, homes and other accommodation for scholars studying at one of the Charity's centres for mission studies, and for the wives and husbands of scholars and their children; and
- (i) print and publish any newspapers, periodicals, books or leaflets and to engage in television and sound broadcasting for the furtherance of the objects of the Charity.

In considering these aims and objects, the Trustees have reviewed the guidance issued by the Charity Commission in relation to public benefit, and consider that the public benefit test continues to be satisfied.

Activities to Achieve Aims

In furtherance of these aims, the Charity has continued to run the Oxford Centre for Mission Studies based in St Philip and St James's Church, Oxford.

THE OXFORD CENTRE FOR MISSION STUDIES

DIRECTORS' AND TRUSTEES' REPORT

FOR THE YEAR ENDED 31ST AUGUST 2014

Achievements and Performance

The trustees consider that the performance of the Charity this year has been sound.

The core academic activity was strong. Research Induction Schools were held in September 2013 and April 2014 which a total of 20 scholars attended with a view to beginning research. Six students graduated during the year, all of whom were successful PhD scholars.

The OCMS academic journal Transformation continues to attract increased attention as a significant source of mission scholarship, and the number of online subscribers grows annually. Regnum Books has published 21 theological/mission books in the year. The 2014 Stott Bediako Forum took place from the 15th to 17th of October 2014 in Anyang and Seoul, Korea, under the theme, 'New Horizons in Mission Studies, II'. It was hosted by Anyang First Presbyterian Church.

The weekly public lectures have maintained a high standard with many distinguished visiting speakers, and the weekly research seminars for students have sustained their purpose. Library and online research resources have continued to improve and OCMS access to the Bodleian Libraries continues in addition to Middlesex University library electronic resource.

OCMS Library received the personal library of Michael Griffiths (formerly General Director of the Overseas Missionary Fellowship) including books on Missiology, Christianity in East Asia, South Asia, Oceania, and the Americas, evangelical theology and comparative religion.

This year has seen an increase in the administrative staff at OCMS. A Development department has been created to assist in the fundraising and several initiatives have already brought in additional funding as well as attracting new donors.

Financial Review

Total income at £1,154,117 shows a small decrease against last year. The Charity's principal funding sources are grants receivable and fees from students. Grants and donations receivable, totalling £436,923, were slightly higher than last year. However, fees receivable decreased modestly over last year. OCMS continues to help students from two-thirds world developing countries, who might otherwise be unable to pay their fees without the scholarships provided by OCMS; a fees subsidy scheme continues to operate.

Unrestricted fund expenditure at £950,093 has remained under tight control, reflecting the continued careful husbandry of resources whilst seeking to improve standards of academic remuneration, library and other study resources for students, and financial management and reporting. This expenditure has helped to achieve the aims set out above and resulted in the specific achievements noted.

Reserves Policy

The Charity's unrestricted general funds showed a surplus of £29,355 at the year-end, with the need for day-to-day working capital being met by careful management of short-term liquid resources in the absence of sufficient free reserves.

The trustees consider that free reserves amounting to three months' operating costs would be prudent and advisable in order to cover the risks and uncertainties of operating as an institute of higher education. Their policy is therefore to build up cash reserves out of annual operating surpluses and/or specific donations for this purpose until the intended level of free reserves is reached.

Plans for Future Periods

The postgraduate research programme, mostly leading to PhD, is the core of the charity's mission. With close to 120 research scholars at various stages of their programme, the academic staff will continue to guide them towards the completion. There are two new cohorts planned for 2015, in April and October. In each cohort, we expect approximately 10-12 new students. We anticipate approximately six scholars to complete their studies this year.

Two publication programmes will continue their operation. *Transformation* is a quarterly journal, internationally renowned for its unique contribution to studies in mission and global Christianity. Regnum Books will continue its publication of monographs and collected essays. Among its four imprints, Regnum Edinburgh Centenary Series is expected to move towards the completion of its work. Currently 24 volumes are available, and 10 more are expected. Regnum Books aims to publish around 20 titles for the year.

This coming year OCMS will apply for planning permission at the Centre to provide further work and study space. A new kitchen and toilet facilities are also part of the plan. As soon as funding and planning consent are in place, the project is expected to begin in the last quarter of the year. Major conservation work on the stained glass windows will also begin.

There are four conferences planned for 2015. In May, OMF celebrates the 150th anniversary of mission in China. In early July, the Stott-Bediako Forum on the Gospel and the World Today will take place in Jordan on 'Religious Violence and Christian Responses'. This is a joint annual forum by OCMS and INFEMIT. In late July, the Forum of Chinese Theology's 7th Annual Symposium on 'Universal Values and the China Road' will be hosted by OCMS and Wycliffe Hall, University of Oxford. This is the second China conference to be part hosted by OCMS. In September, a one-day conference will be held to celebrate the completion of Regnum Edinburgh Centenary Series.

Tangible Fixed Assets for Use by the Charity

Details of movements in fixed assets are set out in the notes to the accounts.

The Charity's freehold property was formally revalued in February 2011; full details of this revaluation are given in note 12(a) to these accounts.

Auditors

A resolution to re-appoint Messrs King Loose & Co as auditors for the ensuing year will be proposed at the Annual General Meeting.

Audit Information

In so far as the trustees are aware:

- (a) there is no relevant audit information of which the charity's auditors are unaware; and
- (b) the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Small Company Provisions

The Oxford Centre for Mission studies is a charitable company; this report has accordingly been prepared in accordance with the small companies regime of the Companies Act 2006.

THE OXFORD CENTRE FOR MISSION STUDIES

DIRECTORS' AND TRUSTEES' REPORT

FOR THE YEAR ENDED 31ST AUGUST 2014

Statement of Trustees' Responsibilities

The Trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity, and of its results for that period. In preparing those financial statements, the Trustees are required to:

- * Select suitable accounting policies and then apply them consistently;
- * Make judgements and estimates that are reasonable and prudent;
- * State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- * Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity, and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
THE OXFORD CENTRE FOR MISSION STUDIES
FOR THE YEAR ENDED 31ST AUGUST 2014

We have audited the financial statements of The Oxford Centre for Mission Studies for the year ended 31st August 2014 on pages 4 to 15, which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This auditors' report is made solely to the Trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the Charity and the Charity's Trustees as a body, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditor

As explained more fully in the Trustees' Responsibilities Statement set out on page 2(d), the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

The trustees have elected for the financial statements to be audited in accordance with the Charities Act 2011 rather than the Companies Act 2006. Accordingly we have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statement sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' and Trustees' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st August 2014 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion;

- the information given in the Directors' and Trustees' Report is inconsistent in any material respect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

THE OXFORD CENTRE FOR MISSION STUDIES

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST AUGUST 2014

1. Accounting Policies

(a) Basis of Preparation

The accounts are prepared under the historical cost convention, as modified by the revaluation of the Charity's freehold property, in accordance with applicable accounting standards, and in compliance with the Statement of Recommended Practice on Charity Accounts. The accounts include the results of the Charity's operations which are described in the Directors' and Trustees' report and all of which are continuing.

(b) Group Accounts

The Oxford Centre for Mission Studies has the following 100% subsidiaries:

Regnum Books Limited	-	currently dormant
Transformation (Oxford) Limited	-	currently dormant

In the opinion of the Trustees, the Charity and its subsidiary undertakings comprise a small group. The Charity has therefore taken advantage of the exemption provided by Sections 398 and 399 of the Companies Act 2006 not to prepare group accounts.

(c) Cash Flow Statement

The charitable company has taken advantage of the exemption to prepare a cash flow statement, contained in FRS 1, on the grounds that it is a small charity.

(d) Income

Income, grants and donations are accounted for when receivable by the Charity, i.e. in the period in which the Charity is entitled to receipt, subject to any deferments and releases as explained further below. Permanent endowments have been received infrequently, and these are dealt with through the statement of financial activities when received.

(e) Deferred Income

Incoming resources are deferred when the conditions upon which they may be recognised as income are not yet satisfied. There was no deferred income at 31st August 2014, nor for the previous year end.

(f) Monies on Behalf of Students

Monies are advanced by sponsoring institutions and church organisations to students. For administrative convenience, The Oxford Centre for Mission Studies acts as "banker" for these monies - paying out monies on the students' behalf in accordance with the sponsors' wishes and instructions. These funds are accordingly not reported as part of incoming resources to the Charity.

THE OXFORD CENTRE FOR MISSION STUDIES**NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31ST AUGUST 2014****1. Accounting Policies (cont'd)****(g) Resources Expended**

Expenditure is included on an accruals basis and has been classified under headings that aggregate all costs related to the category.

The majority of expenses relate to charitable activities.

Governance costs include costs of the preparation and examination of statutory accounts, the costs of trustee meetings, and the cost of any legal advice to trustees on governance or constitutional matters.

Fundraising costs are all those directly linked to approaching donors.

Support costs include central functions and have been allocated to cost categories on a basis consistent with the use of resources.

(h) Value Added Tax

Value added tax is not recoverable by the Charity, and as such is included in the relevant costs in the statement of financial activities.

(i) Depreciation

Depreciation is provided on assets to write off their cost over their estimated useful lives on a reducing balance basis. The rates currently in use are as follows:

St Philip & St James' Church	-	not depreciated; subject to periodic appraisal of value by the Trustees/Directors
Office, General and Library Equipment	-	10% per annum) straight line
Computer Equipment	-	33% per annum) basis
Fixtures and Fittings	-	2% per annum)

(j) Translation of Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating surplus.

(k) Operating Leases

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor, are reflected in the statement of financial activities as incurred.

THE OXFORD CENTRE FOR MISSION STUDIES**NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31ST AUGUST 2014****1. Accounting Policies (cont'd)****(l) Pensions**

The charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the charity. The annual contributions payable are charged to the statement of financial activities.

(m) Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Where applicable, cost reflects subsidies provided by the restricted fund donations and grants.

Replacement cost of the publications stock would be considerably more than the carrying value in the balance sheet due to the presence of these subsidies.

(n) Fund Accounting

The funds held by the Charity comprise, or may comprise:

- (a) Unrestricted General Funds ó these are funds that can be used in accordance with the charitable objects at the discretion of the Trustees.
- (b) Unrestricted Designated Funds ó these are funds that have been set aside by the Trustees for use for specific projects within the objects of the Charity.
- (c) Restricted Funds ó these are funds that can only be used for particular restricted purposes within the objects of the Charity. Restrictions arise when either specified by the donor or when funds are raised for particular restricted purposes.
- (d) Endowment Funds ó these report monies given to the Charity to be retained for permanent capital and not to be spent for the purposes of the Charity.

12(a). Freehold Property

The Charity's freehold property at St Philip & St James' Church, Oxford was acquired from the Church Commissioners in 1989 subject to a covenant restricting its use to a centre for mission studies. It cannot be disposed of without specific authority from the Charity Commission.

The property was formally re-valued in February 2011 by Marriotts Chartered Surveyors, 29 Beaumont Street, Oxford. The valuation was undertaken on the basis of existing use, having regard to the existence of the restrictive covenant in the title relating to such use. The resulting valuation of the freehold property of £827,000 has been reflected in these financial statements.

The surplus arising on revaluation, £587,809, was credited to the Endowment Funds in the 2009/10 financial statements.

At the year end, the Endowment Funds comprise the two elements shown above. The Trustees consider that components of these funds are, or may so become in the future, expendable endowment funds.

Scholarship Grants represent monies given by sponsoring organisations to subsidise the costs of providing tuition to students.

Monies for the Academics Support Fund were given to allow for the continuance of support for certain academic posts, currently externally funded, should that external funding cease or reduce. If not required for this purpose, the Charity may use the funds as it sees fit.

The Professor Emeritus Deryke Belshaw Development Studies Scholarship Fund arises from a restriction imposed as a condition of the waiver of monies otherwise due to a former creditor of the effective donor.

Other restricted funds have been given for the purposes stated above.
